TOWN OF BARRINGTON

TOWN WARRANT

March 12, 1963

To the inhabitants of the Town of Barrington, in the County of Strafford, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Barrington Grade School in said Barrington on Tuesday, the 12th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

ARTICLES OF BUSINESS AT 7:30 P. M.

- Art. 1. To choose by ballot and major vote, one Selectman for three years, Town Clerk, Treasurer, Collector of Taxes, and two Auditors for one year.
- Art. 2. To choose all other necessary Town Officers.
- Art. 3. To raise and appropriate the sum of \$1,450.00 for the support of the Town Poor, Old Age Assistance, and other Town charges.
- Art. 4. To raise and appropriate the County Tax.
- Art. 5. To see if the Town will authorize the Selectmen to borrow up to the sum of \$10,000.00 in anticipation of taxes if necessary.
- Art. 6. To see if the Town will raise and appropriate the sum of \$13,000.00 for roads and bridges.
- Art. 7. To see if the Town will raise and appropriate the sum of \$3,000.00 for the maintenance of Black Roads.

- Art. 8. To see if the Town will raise and appropriate the sum of \$1,049.54 for Town Rural Aid, the State's share to be \$6,996.93.
- Art. 9. To see if the Town will vote the sum of \$200.00 for the Library Association.
- Art. 10. To see if the Town will vote the sum of \$150.00 for the V. F. W. Memorial Day.
- Art. 11. To see if the Town will raise and appropriate the sum of \$100.00 to be used in co-operation with State and Federal funds for the control of White Pine Bister Rust, within the confines of the Town.
- Art. 12. To see if the Town will vote to raise and appropriate the sum of \$147.21 which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association, for the purpose of publicizing and promoting the natural advantages and resources of the Town, in co-operation with other towns in the Lakes Region.
- Art. 13. To see what action the Town will take regarding Boudreau claim, now pending Court.
- Art. 14. To see what action the Town will take to improve the Hall Road from A. Johnson Farm to Nottingham town line.
- Art. 15. To see if the Town will vote to accept and maintain two Streets off Route 4 at Meadowbrook Estates.
- Art. 16. To see what sum the Town will appropriate to replace the 1939 Fire truck (proposed amount \$8,500.00) and to see what method will be used to raise this amount.

Art. 17. To see if the Town wishes to continue with a Zoning Board.

Art. 18. To see if the Town wishes to Zone, and set up Zoning regulations.

(a) If so, authorize the Selectmen to appoint a committee to investigate zoning requirements, and to present findings and recommendations to the next Town Meeting.

Art. 19. To see if the Town, in order to protect it's interests, wishes to adopt regulations concerning sub-divisions or building projects.

(a) If so, authorize the Selectmen to appoint a committee to investigate. And to formulate rules and regulations that, in it's judgement, would be in the best interest of the Town; and, that said committee present it's recommendation to the next Town Meeting.

Art. 20. To see if the Town wishes to allow trailer, or mobile home parks within the Town limits.

(a) If so, authorize the Selectmen to appoint a committee to study rules and regulations for such parks, and present their findings, and recommendations to the next Town Meeting.

Art. 21. To see if the Town would consider the establishment of a Town Beach on the shores of one of Lakes, as so many towns are doing, or have already done, in order to preserve some place of recreation for the people of the Town.

(a) Said property to be purchased by, or donated to, and maintained by the Town of Barrington.

(b) Policing, life guard, etc., expenses could possibly be met by:

- (1) Annual membership fee for Town people only.
- (2) Gate admissions for non-members.
- (3) Bathhouse fees.
- (4) Concessions.

(c) Authorize the Selectmen to appoint a committee to investigate possibilities, and report findings to the next Town Meeting.

Art. 22. To transact any other business that may come before the meeting.

Art. 23. To see if the Town will vote to adopt the Budget as voted at the Town Meeting.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and sixty-three.

SHERMAN L. BAXTER,
ALVA A. COGSWELL,
FRANK M. ERCOLINE,

Selectmen of Barrington.

Speaker of the Day was Capt. Joseph E. Rehler, Public Works Officer from Portsmouth Naval Shipyard.

Services were held at the usual place in Pine Grove Cemetery with a very good attendance.

Many thanks is extended to Choir Director Al Paquin and Choir for fine music rendered.

A Firing Squad was not available for the reason of other commitments, it is hoped that one may be obtained this year. We were very fortunate in securing the band for the price we paid and is going to cost us more for 1963.

Respectfully submitted to the voters of the Town of Barrington by Hanson-Keliher Post No. 6804, Veterans of Foreign Wars of the United States.

HAROLD W. HENDERSON,
Chairman.

JOHN R. TUTTLE,
Commander.

FIRE DEPARTMENT REPORT

The Barrington Fire Department responded to 20 calls during 1962. Two of these calls were for the resuscitator, 3 for chimney fires, 10 for grass and brush fires, 2 building fires of which one building was a complete loss, 1 overheated gas furnace and two calls for assistance out of town. We received assistance from Dover, Madbury, Durham and Lee on two in-town calls.

Work has been started on the addition to the Fire House and consideration is being given to replacing the Chevrolet truck which is now 24 years old.

REPORT OF ZONING BOARD

To the Town Meeting, March, 1963:

The Zoning Board has had a busy year, in spite of illness that curbed our activities during October, November and December.

Nineteen hundrd and sixty-two brought two changes in personnel due to the resignation of Frederick Densmore in May, and that of Bernard R. Smith as of June 30th. To fill the Board, the Selectmen appointed Norman W. Arlin and Earle W Caswell. Since the first meeting of the new Board, 42 permits and authorizations were issued through December 31, 1962, with an overall total of 70 for the year.

Up to October 1st, we made 49 regular inspections, and, due to sickness no further inspections were made in 1962. The bulk of our remaining inspections since the last town meeting is that of summer property, and such inspections must be made when people are at their camps. We have answered some complaints, which seem bound to crop up at times, and trust that, with the cooperation of the Board of Adjustment, consisting of the Selectmen, and the proper understanding of the Town Ordinance on the part of all concerned, we can settle minor differences without recourse to the mandate of the law.

Our records show the Town to be in a "moving ahead" condition, and, we all, as individuals, should be thinking in terms of "progress of the times". We should be planning ahead to make certain that our Town is ready to take it's place with those other towns that are beginning to exert an influence upon the activities of our State. We should be thinking in terms of zoning; about regulating sub-divisions or building projects; about establishing a town beach; about trailer parks that call for special

regulations ; about advisability of joining the New Hampshire Municipal Association, made up already of 95 towns and cities, for the purpose of "promoting the growth and development of New Hampshire towns and cities, and co-operating with the State, the Legislature and all other interested agencies".

Your Zoning Board takes this opportunity to thank all who have cooperated with us in the performance of our duties as members of the Zoning Board. The road we have to travel is not always smooth—enforcing a law never is—but, if each individual will take upon himself, or herself, the desire to comply with the ordinances in effect, then the Zoning Board will be forever grateful, and the "bumps" in the road will become smoothed out.

We offer the following building report as of January 1, 1963, for year of 1962.

In September, Mr. Halford McLane replaced Mr. Alan Cutler as teaching principal in grades 7 and 8. In departmentalization it is possible for the teachers to teach in their special areas.

Mrs. Lorraine Roller replaced Miss Edith Skidds in grade 2. Due to illness, Mrs. Pauline Hayes was unable to begin teaching until October and Mrs. Sarah Huckins replaced her for that period of leave.

Mr. Paul Bolich was elected to supervise the vocal and instrumental music on a one day per week basis. Music has been one of the weaknesses in the curriculum.

The need for remedial reading is the most critical problem at this time. It is hoped that the school district will support an article in the warrant for an additional teacher. This would make it possible to provide remedial reading a half day during the week and a half day could be used to release Mr. McLane for administrative duties.

This is a legislative year and the continued increase in the cost of education will be reflected in the General Court. The need for increased state aid is imperative. The support that can be given good legislation for educa-

tion depends largely upon the interest and participation of well informed citizens in your community.

In conclusion, I should like to express my appreciation for the cooperation given me during the year by the citizens, school board, teachers and pupils of Barrington.

Respectfully submitted,

RAMON MARTINEAU,
Superintendent of Schools.

REPORT OF THE PRINCIPAL

To the Citizens of Barrington:

Today, we are living in an age of specialization. No matter where we look, specialization is the trend. In industry, we find specialized jobs which require special training. In government, we have specially trained men and women occupying many special assignments. The social world is filled with organizations which sponsor or support special projects or activities.

The school is no exception in this trend of specialization. It is the role of the school to educate its students, so that they will be able to adjust to the adult society intelligently. Therefore we find there is a need for specialized teachers. It is of vital importance that we have trained teachers in science, mathematics, foreign languages, the fine arts, and elementary teaching, if we are to educate the child for the adult world.

In the Barrington Grade School, educational television is being used a great to enrich our specialized program of studies. In the third grade, students enjoy general science and music. The fourth grade sees "New Hampshire History" and "The Wonders of Science" through this medium. In the fifth grade, we have "Exploring Nature" and "Art at Your Fingertip". These two programs make real, to the students, the wonderful world of ours, and gives them an appreciation of the finer things in life. For the seventh and eighth grades we have used a program entitled "Careers" which gives the students an idea concerning special occupations and professions.

The PTA has given a valuable teaching aid to the school in the purchase of a tape-recorder. Since we have

had the tape-recorder, English classes have been using it for correctional purposes in regard to speaking.

This year, we have departmentalized the sixth, seventh, and eighth grades. Through this system, we have been able to more fully concentrate on the major subjects of English, science, mathematics, and social studies, at this level. However, we have become most aware of the need for further aid in the field of correctional reading.

Through the addition of a trained reading teacher, the school will be able to improve its reading standards, and give more devoted time to the administrative and supervisory duties of the principal.

Cooperation is a keynote of success in any important endeavor. In order to have the school as a valuable asset to the town, cooperation must prevail among the school, home and society. The school welcomes ideas, opinions, visitations, and consultations from you the citizens, and through these means we will be able to enhance the cooperative effort.

Respectfully submitted,

HALFORD P. McLANE,

Principal, Barrington School.

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

In the following report I have attempted to clarify the duties of the school nurse, and to explain briefly the school health program.

My schedule must of necessity be a flexible one. However, it allows for at least one visit per week to each of the schools in the area, and a second weekly visit is frequently made to each of the two largest schools—Barrington and Epsom. The schedule is set up in this manner:

Barrington—Monday. When a second visit seems necessary it is made on Thursday afternoon.

Epsom—Friday. A second visit to this school would be made on Tuesday afternoon.

Northwood—Wednesday

Nottingham—Tuesday

Strafford—Thursday

Changes are made as needed to accommodate the immediate needs of any particular school—in which case, the Principal of the school scheduled for a visit is notified. This makes it possible, in the event of an emergency, for the nurse to be located by any of the schools without undue delay.

All pupils are examined as soon after the start of the school year as possible. Height, weight, teeth, tonsils and eyes are checked then. The hearing test may also be given at this time or be done in the Spring. Inspection of hair and scalp is done at least twice yearly.

Notices of defects are sent home, and these children

again checked at a later date to determine the number of corrections which have been made. When recourse to the health resources of the State seems advisable, referrals may be made by the school nurse, and she provides application forms.

First aid at the school is given by the nurse if she is present. Otherwise it is given by the teacher and later checked by the nurse if this appears to be warranted. Also, any child showing symptoms of illness or disease is seen by the nurse if possible. The parents are notified of the child's condition, and it is their responsibility to provide transportation home; although under certain circumstances the nurse may see fit to take the child home.

Home visits are made, either in response to a request by the parents, or when it is felt that a personal discussion with the parents might be of benefit to all concerned. As of December 31, 1962, a total of 101 home calls had been made.

I have been very graciously received by the parents, and they have been most cooperative in providing the necessary care of the children. It is this cooperation which makes a real success of the health program. I am deeply grateful for it.

I also wish to express appreciation to Mr. Martineau, the School Board and Teachers for their helpfulness.

Respectfully submitted,

DOROTHY Y. WELLS, R. N.,

School Nurse.
